New York, January 17.-Another

New York, January 17.—Another wave of depression swept over the stock market to-day, but the list showed more recuperative power than during the unsettled prices earlier in the week, and a smart rally later in the session cancelled the larger part of the losses among the active issues.

The market developed some strength after the opening, but isolated points of weakness were uncovered, chiefly among specialties such as Telephone. Rubber and Fertilizer shares. The depression spread through the list and during the neon hour prices receded sharply in all sections under heavy selling. Quotations were borne down close to the low level touched on Tuesday and in a few instances below that point. During the afternoon the tone was heavy until in the last hour an upward movement set in. At the low prices of the day losses ranged from one to six points with more extended declines among the specialities.

According to the gossip of the street, there was a considerable amount of inside 'selling. Throughout the week

According to the gessip of the street, there was a considerable amount of inside's selling. Throughout the week there has been noticeable a disposition to sell stocks whenever the market improved, and the deduction was made that stocks were being fed out as rapidly as the condition of the market would warrant. At the same time there was unmistakable evidences of active short selling, and berrowing of stocks in the "loan crowd" on the Exchange this week is said to have been the heaviest in more than a year. Unally large demand was reported for steel, Amalgamated, Smelting, Reading and Union Pacific.

Jerry Johnson Shoots Robert Reedy, Following Quarrel Over Steel Trap.

(Special to The Times-Dispatch.)
Tazewell, Va. January 17.—Robert Reedy, a white man of this town, was shot and seriously wounded at Maxwell to-day by Jerry Johnson, a young white man. Johnson emptied the contents of a 32 Smith and Wesson revolver at Reedy, but only one bullet took effect, entering his right side, and penetrating his left lung. He is in a hospital at Richlands, where efforts are being made to save his life.

Johnson was arrested by County Officer John S. Thompson and brought to jail here. Johnson claims that the shooting was done in self-defense. The two men had quarreled over a steel trap. Johnson claiming that Reedy had stolen one from him, which he had set on the banks of the Clinch River for catching muskrats. A preliminary trial will be had as soon as Reedy's condition justifies it. (Special to The Times-Dispatch.)
